

OUR TESTIMONIALS

Having never been on the camp before we weren't too sure what to expect but we had a fantastic time. The facilities were great! The bathrooms and cabins were very clean and the kitchen is the best one I have encountered on a school camp.

We made particular good use of the ice machine!

Stephanie – St Joseph's Catholic College

An efficient and age-appropriate program where staff were able to encourage each child to succeed.

Please pass on our thanks to the staff of BOEC for making the camp an exciting and memorable experience for all involved.

WHO WE ARE

Batchelor Outdoor Education Centre (BOEC) provides outdoor education and recreational experiences to school and community groups.

It is located in the township of Batchelor, 100 kilometres south of Darwin, the gateway to Litchfield National Park.

BOEC ensures all students have the opportunity to participate in quality outdoor education experiences as part of a balanced curriculum for both primary and secondary students.

BOEC is available for hire by business and community groups looking for an ideal setting to host conferences, workshops, wellbeing retreats, team and leadership building experiences, and for private functions such as weddings.

WHAT WE PROVIDE

Accommodation in two and four bedroom blocks (capacity 90), a large modern dining hall and commercial kitchen (walk in fridge, freezer and pantry).

A large TV, DVD and Wi-Fi to provide the technology required for presentations, workshops and conferences.

OUR ACTIVITIES

Team Building

Mountain Bike Riding

Abseiling

Archery

Low and High Ropes Courses

Snorkeling

Rock Climbing

Sail Boarding
